Re: • **Commission Meeting, December 14, 2018**  
• **Informational Filing in Docket 2017-370-E**

All:

The undersigned represents the South Carolina Solar Business Alliance, Inc. in the above-referenced Docket.

I write concerning the disruption that occurred during the above-referenced Commission meeting. As you will recall, there were repeated references to "solar" during the demonstration. My clients want to assure the Commission that the South Carolina Solar Business Alliance, Inc. played no role in the demonstration and the participants in the demonstration are not affiliated in any way with the South Carolina Solar Business Alliance, Inc.

Respectfully Submitted,

/s/Richard L. Whitt
